FINDINGS OF FACT

1. Lawrence Cherish, D.O., (hereafter "Respondent"), is a licensee of the Board and the holder of License No. 2877.
2. On or about April 21, 1999 the Board received a telephone call from David Welch, MD, informing the Board that Respondent had shown up at the Emergency Room with alcohol on his breath, that he had been unconscious in his house the night before and was unable to come to work, he called in at noon and sounded intoxicated, has missed work twice due to alcohol, refused to take a blood alcohol test and was terminated.
3. On April 26, 1999, Respondent voluntarily entered into an assessment at Valley Hope Alcohol, Drug and Related Treatment Services at the request of the Executive Director. Respondent acknowledged that he had a problem with his use of alcohol.
4. Respondent requested that he enter into a Stipulated Consent Order for assessment and in-patient treatment and having completed such treatment be placed under terms of Probation for a five-year period to include rehabilitation, practice restriction and monitoring. In public session the Board voted on May 4, 1999 that Respondent was medically and/or psychologically unable to

engage in the practice of medicine and authorized the Board's Executive Director to sign and issue a Stipulated Consent Order for Suspension regarding Respondent.

5. Respondent successfully completed treatment at Springbrook Northwest on August 20, 1999 and subsequently requested that his license be reactivated under a probationary Consent Order.

6. Respondent appeared before the Board on October 16, 1999 and agreed to the submission of the Stipulated Consent Order for Probation at which time the Board considered and approved the entry of the Stipulated Consent Order for Probation.
